Preparing Students for their futures: Aspirational Events

Dear Parents and Carers

Raising the aspirations of our students and ensuring that they aim high is a key role of our school. We are committed to broadening students' horizons and supporting their progression into future opportunities and experiences.

We would like to bring the following events and dates to your attention.

Higher Education and Apprenticeship Information Evening Monday 7 October at 7.00 pm

The aim of the evening is to provide information from a range of providers, including Universities and local Apprenticeship providers. The event is open to all students from Year 7 through to Year 13 and is designed to support any student that may be considering either the university route or an apprenticeship.

We will also have a Post-16 stand with information on progression into Tupton Hall Sixth Form that will be relevant to any student planning their curriculum post-16.

The event will run in a marketplace format from 7.00 pm onwards and we anticipate that this will finish at around 8.00 pm. Students are strongly encouraged to attend with their parents and we look forward to seeing you there.

We hope that by attending this event students will be able to develop aspirational careers goals that will support their educational journey.

Further events will also include:

Thursday 24 October: Careers and Aspiration Day for all Year 11 students

Thursday 7 November: Tupton Hall Sixth Form Evening 6pm – 8pm all year groups invited

Yours faithfully

Mrs C Burton
Assistant Headteacher

Mr A J Knowles
Headteacher
