

29th September 2020

Dear Parents and Carers,

I am writing to inform you that from Monday 5th October we intend to make a **temporary** amendment to the school uniform policy. From this date all students will have the opportunity to **wear a plain (no lettering or logos) navy blue or black, V neck jumper under their blazer, of any brand**, to ensure that students are not becoming cold in classrooms due to having to maintain good ventilation.

We are dealing with unprecedented times, therefore working with students and parents sensibly and sensitively is our intention. The rest of the uniform, including footwear, remains unchanged, with hoodies, sports or denim **jackets not allowed** on school site. An outdoor coat may be worn over the blazer but should be removed when students go to Challenge Time at 8.30 am, and then remain off whilst inside the school building.

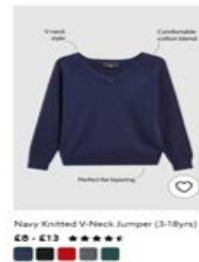

Please see below some examples of high street options for V neck jumpers for your reference:

If there are any queries or concerns regarding this temporary change please do not hesitate to contact myself or your child's Head or Deputy Head of House.

Yours sincerely

Mrs R Holland
