# CREST CLUB

## KEY INFORMATION:

**Staff member running activity:**

**Mrs Robbins-Emery and Miss Phillips**

**Students Invited: Years 7, 8 & 9**

**Day & Time: Thursday, 12:30**

**Activity Location - SCG5**

**Student Limit: 20**

## WHAT IS CREST?

Bronze Awards, suitable for ages 11 upwards. It introduces students to project work empowering them to work like real scientists, technologists, engineers or mathematicians. Students choose their own topic and methodologies giving them complete freedom over their work.

Students work independently or in groups to plan and run a project addressing a real-world STEM problem. The project process develops enquiry, problem-solving and communication skills.. Bronze project are assessed against the CREST assessment criteria. After completing the project, each student receives a personalised certificate.

# CHESS & GAMES CLUB

## KEY INFORMATION:

**Staff member running activity:**

**Mr Hardingham**

**Students Invited: All**

**Day & Time: Monday lunchtime**

**Activity Location - MAF1**

**Student Limit: 25**

Are you a chess expert, or would you like to learn?

Do you have an interest in puzzles and problem solving?

Perhaps Chess & Games Club is perfect for you!

Come along and learn how to play chess, or participate in any other game or card game of your choice. Use your problem solving and logic skills to battle against your peers. You can bring your packed lunch and eat whilst you play!

# INCLUSIVITY, WELLNESS & AWARENESS GROUP

## KEY INFORMATION:

**Staff member running activity: SEL**

**Students Invited: All**

**Day & Time: Monday lunchtime**

**Activity Location - DTF5**

**Student Limit: 30**

Do you want to be a part of Tupton's Inclusivity, Wellness and Awareness group?

Do you have any ideas about how we can make school more inclusive and welcoming?

Our aim is to create a school environment that is accepting and comfortable for all students and all identities, working towards a school that everyone has a voice to make change in.

- Get support and advice from students who can relate to your experiences
- Help make changes for the students and raise awareness about important issues
- Use this platform to report hate speech
- Create methods that our school can implement to educate our students and teachers

# MEDIA CLUB

## KEY INFORMATION:

**Staff member running activity:**

**Mr Welch / Mr Pateman**

**Students Invited: Year 10, 11 & 13**

**Day & Time: Thursday 3:30 to 4:30**

**Activity Location - ENG4 /ENF3**

**Student Limit: 15**

Do you have a passion for media? Do you enjoy getting creative and producing visually appealing content? Are you interested in studying media at a higher level or even considering a career where a media qualification would be helpful? Why not attend our media club to get all of the extra experience.

Media After School's Film & Production club involves planning and producing media products such as short films, and, where appropriate, entering them into national school awards competitions. Aside from that we will try out various media techniques, some technical practice and watching and reviewing films!
