

MATHEMATICS ORDER FORM

May 2020

GWa/SB

Dear Parent/Carer

The Mathematics Department at Tupton Hall School would like to offer you the opportunity to buy the items listed below. All students require a calculator and drawing equipment, and through bulk buying we are able to offer a discount on retail prices.

We recommend all students have their own calculator to complete homework and revision at home and we have chosen the Aurora AX595TV for its exceptional value and functionality.

1. **SCIENTIFIC CALCULATOR - £5.50** (Recommended for all students)
2. **GEOMETRY SET - £1.50** (Contains necessary mathematics equipment)

Yours sincerely

Mr G Walton
Head of Mathematics Department
